Deva Flower Remedies

A modern answer to emotional self help! Deva Flower Remedies are specifically formulated to relieve life's stresses and strains in a natural, safe and simple way. Deva Flowers, inspired from the original discoveries of Dr. Edward Bach in England during the early 1930's, are prepared from selected wild flowers and tree buds, potentized through homeopathic style processes and then uniquely combined into a system of remedies. Percentage of sales goes to environmental and social programs for healing our planet earth.
